DEAR MEMBERS & FRIENDS,

Warm Greetings from Sunny Orchid!

First and foremost, I would like to extend our sincerest appreciation and a Big Thank You to all members for your generous Ang Pao Contribution on behalf of my colleagues at Orchid. Your generosity has certainly warmed the hearts and morale of our team with your expression of care & share during the auspicious CNY celebration.

"People really don't care how much you know until they know how much you CARE."
- Theodore Roosevelt

My team and I certainly look forward to another great year in serving your needs and wants, and to be a member-centric Club in strengthening our service standards through continuing improvement initiatives for the enjoyment of all members.

For members who have yet to submit your vehicle IU numbers to our Membership Department, please be reminded to do so at your earliest convenience by 15 March 2017. To retrieve the IU number of your vehicle, you can simply take a photo-shot of your in-vehicle ERP device with the IU numbers or sign-in on "One-Motoring" website to click on "My Account" and followed by "My Asset" to get your vehicle information which you may print out and submit along with the completed form mailed to you earlier.

The beginning of the year also marked a significant milestone with the announcement on the acquisition of Raffles Country Club by the SLA with the last day of operations slated to end by 31 July 2018 to make way for the KL & Singapore High-Speed Rail project. Since then, the secondary market pricing and transaction of Golf Club memberships had taken on new dynamics spiralling upward in light of supply versus demand. Inevitably, Orchid's membership had received an influx of enquiries with prospects from the former JCC membership and more recently RCC members taking to be the market to source for a new home Club. More information shall be shared with members as such market dynamics continue to unfold over the next few months that may have an impact on how Golf Club would traditionally operate in-lieu of market uncertainties on land lease renewal; lagging cyclical replacement of new golfers against the imminent attrition due to greying demographic profile of the local golf fraternity and so forth to find a new norm.

I would like to take this opportunity to introduce to you 2 new Heads of Department who recently joined the Orchid Family and they are:

Mr Alan Chua, Head of Property & Maintenance who is no stranger to OCC with previous 14 years of experience with Orchid; and recently appointed on 2 February '17 in the position he last held in 2009 after a string of 8 years with valuable experience and exposure gathered from both local and overseas MNCs that would certainly value add to the vast estates and facilities at OCC. Alan's immediate projects in-hand shall include the upgrading and enhancement of the Golf Registration facility, five

(5) sets of restrooms upgrading that stretch from the Driving Range to the Golfing and Social Clubhouses; and more immediately the Members' parking facility to be installed with the Vehicle IU Identification & Detection Car Parking Barrier System to enhance Members' parking exclusivity.

Mr Dennis Ee, Head of Golf who recently joined OCC on 13 February '17 is a veteran in the golf industry with proven track record in member-centric initiatives that simplify operating processes that are easy to understand and seamlessly delivered by service personnel for the enjoyment of golfers. A Certified Golf Referee with hands-on management at the ground to listen to members'/golfers' feedback and suggestions to make timely alignment with measured flexibility and empowerment to ensure a sound and pragmatic execution of policies that would intrigue even the more discerning golfers.

Dennis' immediate tasks at hand would include reviewing and streamlining the golf operating processes and to make recommendations that may involve the re-structuring and revamp of policies and processes with improved operating efficiency, booking and course utilization, personnel training on member relations and services; including service empowerment, and the pruning of obsolete and redundant processes to improve productivity in member services and overall satisfaction. A Club where members are happy and proud to introduce and invite their guests and associates for rounds of golf, networking and entertainment; which is the core objective of Orchid!

A few of such golfing initiatives based on the recent feedback and suggestions received from members shall be announced soon for your peace of mind when you plan for your next game.

I am hopeful that you might have already tried out the new batch of 100,000 range balls (in white) which were introduced on 27 February '17 (Monday). Do let us have your feedback by filling up the survey form at the Driving Range reception.

Another exciting news in March '17 includes our new service provider "WinGolf" operating a "Custom Golf Fitting" and accessories outlet at the Driving Range; and the long-awaited Dendro Halfway House to commence operations in March/April by the caterer, Fateljicious in serving your refreshment needs whilst at the golf courses.

Do let us have your feedback and suggestions to allow my team and I to better serve your needs. I would like to wish all members a Joyous Easter Holiday and may the Grace and Peace of the season encamp you and your family.

See you at the Club soon!

Yours sincerely,
RICHARD FOO

More enhancement plans are on the way this year to provide you and your families with the Orchid experience we aim to deliver. Two major upgrading projects have been scheduled. Regular Hollow Tinning and Coring Exercises for a Healthy Green Turf

Recently, the Golf Course Maintenance Team carried out Hollow Tinning and Coring on the Greens; and this is a necessary exercise because the soil of the Putting Greens can become compacted over time due to traffic from maintenance machines and footfall from golfers as well as excessive thatch build-up.

(Note: Thatch refers to a tightly intermingled layer of living and dead stems, leaves, roots and debris which accumulate between the layer of actively growing grass and the soil underneath.)

When the soil becomes compacted, the roots are deprived of nutrients and oxygen. Eventually, the grass will wither and die. In addition, the excessive thatch build-up will retain water in the upper profile of the soil leading to the Putting Greens turning soft as well as having pitch marks and bumpy surfaces.

Since the root zone forms a plant's life support system, it is vital to maintain a decent soil profile through regular **Hollow Tinning and Coring** for the grass roots to receive sufficient water and oxygen.

This photo shows the soil compaction which negatively affects the roots' performance.

Below pictures depict the progressive steps involved:

Hollow Tinning.

Removal of Cores.

Topdressing with Sand.

Brushing in the Sand.

Rolling the Green for play.

Step 1: Hollow Tinning is first carried out where a powered mechanical vertical coring unit which consists of hollow tubes, is used to produce small holes on the Greens to create pore spaces for oxygen to penetrate the soil.

Step 2: A Sweeper will be used to remove the soil cores left on the surface after Hollow Tinning.

Steps 3 & 4: This is followed by topdressing the core holes with sand, creating a fresh growing medium to retain pore spaces and provide better water movement. This process produces a smooth, firm putting surface and reduces thatch build-up.

Step 5: Rolling is used as a finishing technique to ensure maximum smoothness to the Green putting surface, thus increasing ball-roll distance.

We thank you for your understanding and patience as the Club carries out these cultural practices periodically to improve the playability of the golf course for your golfing enjoyment.

Golf Rules & Etiquette

Safety

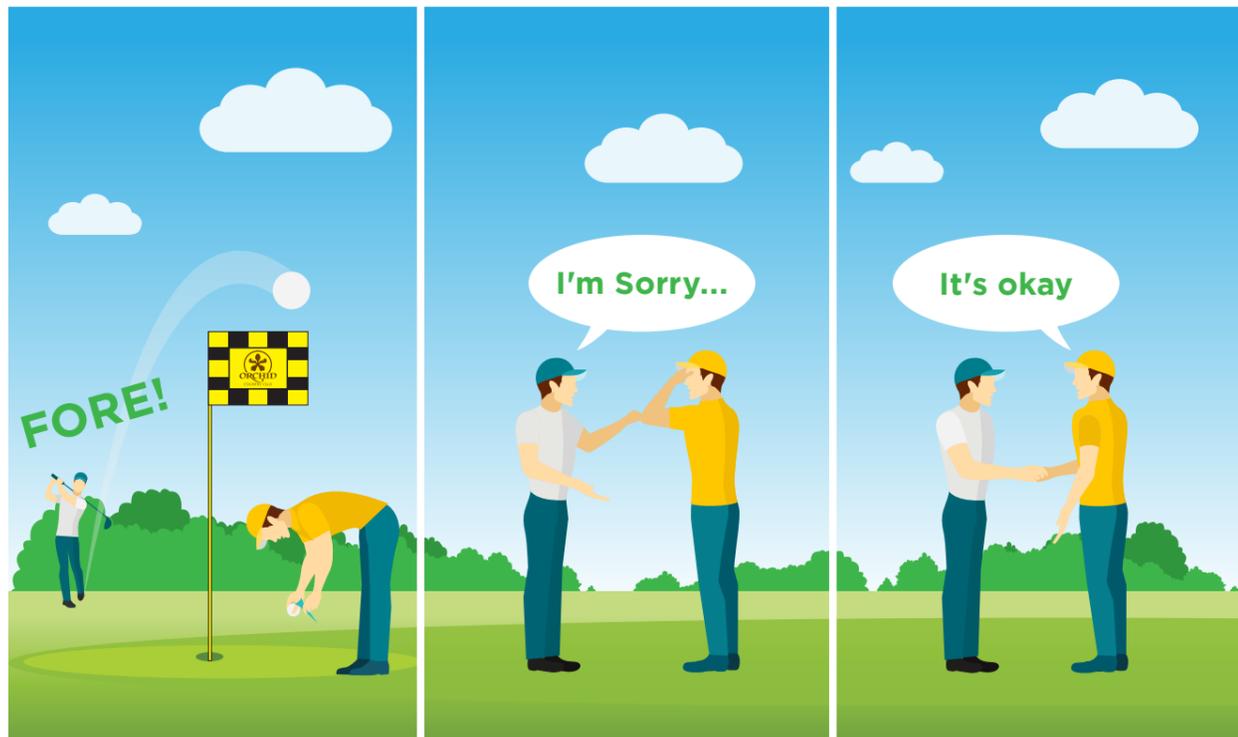

Recently, the Golf Department has received a number of reports on Dangerous Play situations on the Golf Courses. The Club would like to remind all golfers to exercise more caution to avoid any unpleasant and Dangerous Play situations. It is always the responsibility of the back flight to ensure that the golfers in the front flight are out of range before playing a stroke.

How to avoid Dangerous Play?

- Golfers should not play until all golfers in front are out of range.
- Shout a warning **"FORE"** if you think your ball might be in danger of hitting the golfers in front or at another hole. Your fellow golfers should also shout **"FORE"** to warn the golfers.
- You should shout **"FORE"** immediately and not only when the ball is about to land. This is to give the golfers enough time to move away from the ball. Getting hit by a golf ball can cause serious injuries, such as the loss of an eye, or even death.
- If unsure, always move forward to check the situation. Some golfers might be hidden from sight if they are searching for golf balls. A good habit to observe for such golfers is to leave a buggy or trolley prominently displayed on the fairway as a signal to the back flight that your flight is still there.
- If you are unsure on whether your shot might hit the front golfer, do not take the shot. This few seconds of waiting could save a life.

What to do when you have hit a Wayward Shot?

- Move forward immediately to apologise to the golfers and report to the Marshal.
- Should your shot unintentionally hit a golfer ahead, move immediately to render medical assistance and call the Club's Emergency Number at 6750 2173/ 174.

WHAT IS EASTER ABOUT?

Easter is a day where Christians celebrate the resurrection of Jesus Christ, three days after he was crucified on Good Friday. According to Legend, the Easter Bunny lays eggs which are symbols of a new life. Traditionally, these Easter Eggs represent the revival of Jesus from the tomb, thus eating eggs was forbidden by the Church during the week leading up to Easter. Any eggs laid that week were saved, decorated, and given to kids as gifts.

Christmas Countdown Dance Fiesta

The annual Christmas Countdown Dance Fiesta held at Aranda Lounge on 24 December saw members and guests enjoying a night of social dancing to the popular tunes played by our in-house DJ, Dennis Goh. While indulging in a sumptuous Christmas dinner buffet, Christmas-related stage games were also played. The highlight of the night was the countdown, with participants ushering in Christmas together as they formed a conga line. The night concluded with a lucky draw, invoking much cheer and joy among the participants.

Dancers all dressed up and ready for the party.

No Christmas is complete without presents. Congratulations to our lucky dancer who won a brand new mobile phone!

The OSCAR Night Countdown Party

The Grand Ballroom was bustling with energy as the dancers waltzed into the New Year with their impressive dance moves on 31 December 2016. The glamorous night began with everyone eagerly participating in a myriad of pre-event activities such as getting their photos taken at the photo booth, caricature drawing, silhouette cutting and palm reading. Dinner followed shortly where a sumptuous 8-course banquet was served at Peach Garden.

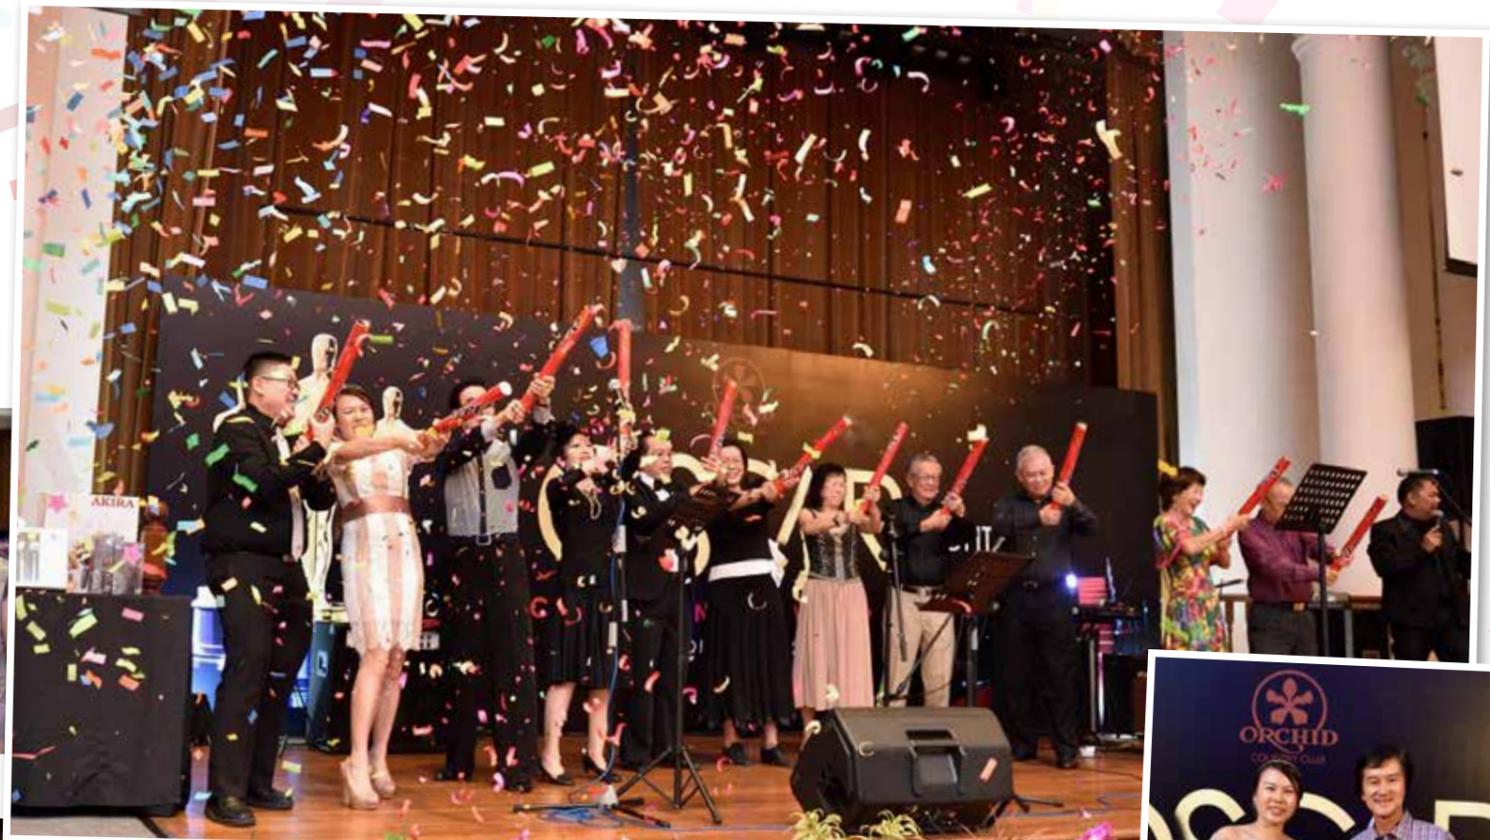

As the clock struck 12, confetti and mini poppers were set off to welcome the New Year. Everyone celebrated with joy and exchanged blessings for the New Year. The night concluded with the main Lucky Draw where the lucky winner of the top prize walked away with a high-end GloRes massage chair.

Rummy-O Finals

To celebrate the festive season, a Christmas Special Edition Rummy-O Finals was held on 16 December. Aside from the usual prizes, winners of each table walked away with popular home appliances such as an Electric Steamboat and a Power Juicer!

All participants were also presented with a bottle of red wine for the joyous occasion. They were also treated to an exciting buffet with delicious log cakes, putting a cheery smile on everyone's face.

Singapore's First Foot Darts Competition

On 21 January 2017, Orchid Country Club hosted the inaugural Foot Darts Competition together with the event organiser Alexandrite, the first launch of the sport in Singapore. Foot Darts is played by kicking a ball against a large inflated dart board with a rough Velcro surface. A total of 6 teams played in a mini-league format, taking turns to shoot the balls at the dart board. Despite the inclement weather, the players enjoyed themselves immensely and new friendships were forged.

OCC & ACC Reunion Bowl

On 5 February 2017, the OCC and ACC teams came together for a Reunion cum friendly bowling session. The Singles and Doubles matches were played over three rounds, but not before an energetic lion dance performance commenced to bring everyone good fortune.

Camaraderie was seen when OCC's Ms Jenny Oon teamed up with ACC's Mr Paul Foo for the Doubles match.

The bowlers helped themselves to a sumptuous buffet spread after the game and NTUC cash vouchers were presented to the winners of the Singles and Doubles matches.

Scratch-It-To-Win-It CNY Edition

On 21 January, Scratch-It-To-Win-It participants were greeted with mandarin oranges, a delectable New Year spread and Yusheng. As per the Chinese tradition of the Lo Hei, everyone welcomed the New Year by tossing and mixing the ingredients of the Yusheng together.

The game started shortly following the feast. With CNY goodies up for grabs, the participants were all eager to win and bag home some New Year treats. The highlight of the night was the "Perfect 6" round where shouts of "Huat ah" were heard in unison as three players finished the game at the same time.

It has been a great weekend here at Orchid Country Club (OCC) for both our wedding and the staycation after. The wedding banquet lunch on 7 January went smoothly and we thank OCC for playing a huge part in its success.

We also love how spacious the Bridal Suite is and the great view of the golf course and reservoir. We will be looking forward to our next visit.

Thank you!

Regards,
Ruting and Jieying (Co-founders of OOPIX)

Staff CNY Party

On 6 February, the Aranda Lounge was filled with an auspicious sea of red as OCC staff gathered for the Club's annual Lo Hei and luncheon. Everyone tossed to the prosperous Year of the Rooster and shared well-wishes with one another. Spontaneous staff who were decked out in attractive red/oriental attire competed for the Best Dressed title. This was followed by a Special CNY Lucky Draw where winners walked away with delightful hampers.
